Denpasar, Bali

Summary

A motivated and adaptable Junior Front-end Developer with over a year of experience, proficient in React JS, Tailwind, Firebase, and a range of technologies. I had a keen interest in web design and employed Figma to craft visually appealing website interfaces. I was eager to apply my technical expertise and collaborative skills to contribute to dynamic teams and develop user-centric web applications.

Work Experiences

Kantor Desa Cemagi   (2 July - 2 September 2023)
- Involved in internship as IT Staff

PT. Hidata Teknologi Digital   (February - May 2024)
- Involved in internship as Full Stack Developer

Education

Bachelor of Computer Science in Udayana University   (June 2021 - Present)
- Minor in User Interface and User Experience (UI/UX)
- Current Grade Point Average (GPA): 3.78

Organization Experiences
